The Juneteenth Annual Celebration

(HOUSTON) — We are pleased to announce that Innovative Segue is officially hosting The Juneteenth Annual Celebration on Tuesday, June 19, 2018, to be held at Emancipation Park (3018 Emancipation Ave., Houston, Tx. 77004) which will take place from 12pm - 6pm.

Innovative Segue is a non-profit organization that serves as a gateway for bridging the gap between social and economic development and disadvantaged communities. Our mission is to provide educational and skill-set training, therapy and character development through services such as community programs, interactive initiatives, mentorship and other resources.

The Juneteenth Annual Celebration will be an annual event that serves to honor select areas. We will commemorate the families and businesses of this special community. Our goal is to provide empowerment to its residents by exposing them to a positive environment and diverse culture that will open their minds to thinking and believing that they too are an impactful and influential community. This celebration will be a fun-filled day of family fun activities, entertainment, great food and community resource providers. We will shine a spotlight on the great assets of Third Ward- while, providing a positive opportunity for its members to enjoy the outdoors and connect with valuable resources from within the area.

This year's celebration will feature some of Houston's hottest artist and local talent. We are currently accepting bookings for hosts, Dj's and feature performances- if you know of anyone whom may be interested, all inquiries can be submitted online via jacinfo@innseg.com.

This will be a **Free** event. Attendees will be able to purchase food from participating vendors. A portion of the proceeds will go toward benefiting a local charity or service providing organization.

We look forward to hosting this memorable event. Anyone interested in getting involved as a sponsor, vendor, entertainment, volunteer, supporting organization or member of the press should contact: jacinfo@innseg.com.
